Multimedia sponsor

We will once again be running our very popular multimedia sponsorship, giving guests the opportunity to get their photos on the big screens along with your name and brand, with a sponsorship reaching out beyond the event itself as the event hashtag. With this in mind, we are pleased to offer the opportunity of a multimedia sponsor at this year's event.

This package will include the following:

- Branding on the event social media wall, which will display fully moderated guest posts that use the event hashtag during the three-course event dinner. This is an attractive concept as it is a way to stimulate engagement among event guests and generate a buzz around the room as they spot their own posts.
- We will work with your representative to promote your own social media around the event, which will also be displayed throughout the evening.
- Branding featured on the 75-inch plasma-screen

table plans that are active after the drinks reception. (These screens can be used after the ceremony to continue to display the social media wall).

- Your business social media handles to be used by the event team's social media to announce your sponsorship in the lead up to the event.
- Your logo displayed in the event programme.

Event partners

Event partners branding will be located at the already famous dodgems experience. This year it will continue as a multi-sponsor package. This ensures organisations with smaller sponsorship budgets to group together and ensure that their brand is part of this much-loved ceremony. A maximum of 12 sponsors will join to support our dodgem zone during the after party.

- The sponsored waiting area for the dodgems will begin with a branded step and repeat photo wall, featuring all of the dodgem sponsor logos. A dedicated photographer will take images of guests as they arrive to queue for the ride.
- Inside the dodgems area itself, full length backdrops will also show the sponsor logos and will feature in photographs taken while the ride is in operation. These photos will be available after the awards in a dedicated gallery online.
- Sponsor logos will also feature on the spotlit dodgems sign above the entrance door.

- The partners will be mentioned in all event information emails to guests/table hosts where we outline the schedule for the night.
- The partners will be shown in the event programme with a copy at the table for each guest.
- There will be dedicated social media posts in the lead-up to and after the event.

Maximize exposure during and after the event.
